TERMS AND CONDITIONS

- 1 Australia Post will endeavour to supply all items listed on this form. However, there may be occasions when:
 - a) all or part of your order cannot be fulfilled immediately, or b) all or part of your order cannot be fulfilled at all.

Where part of an order cannot be fulfilled immediately, the part that can be supplied will be dispatched as soon as possible. Where part of your order cannot be fulfilled at all, you will be advised as soon as possible by mail.

Standing orders do not include the following products where they are released in limited production numbers, prestige or souvenir first day covers, joint issue first day covers, postal numismatic covers (PNCs), medallion covers, special releases. Limited-edition products may not be automatically issued as part of a standing order. This will be noted in the <u>Stamp Bulletin</u>. It is recommended that you contact Mail Order to order these products separately.

- 2 Do not send cash (notes or coins) through the mail. Unfortunately, if cash goes astray no claims can be considered. Payment can be made by money order or credit card. Overseas clients may use a credit card. Orders cannot be sent on approval or 'cash on delivery'.
- 3 The withdrawal dates for all stamp issue products are announced in the Stamp Bulletin and online <u>australiapostcollectables.com.au</u> Regrettably, we cannot provide products ordered after the withdrawal date.
- 4 Postage and handling by issue or monthly is \$3.00 for Australian customers, \$4.00 for overseas customers. Allow 28 days after the issue date for delivery. Quarterly delivery is free.
- 5 Australia Post will endeavour to fulfil all orders placed as soon as possible. However, regardless of when an order is received, no stamp issues will be despatched prior to the actual issue date.
- 6 If you wish to change your delivery preference or any other option regarding your standing order account please advise us by telephone or in writing.
- 7 Please note that acceptance of your order implies that we will fulfil your order. The following situations are exceptions:

 a) if incorrect payment details, including credit card details, are supplied;

b) where correct credit card details are supplied but funds are not approved.

In the event that you supply incorrect payment and delivery details, Australia Post will take all reasonable steps to contact you using the personal details that you have provided. In the event that your supplied contact details are incorrect, Australia Post cannot be held responsible for not fulfilling your order, nor for being unable to advise you that this is the case. Additional postage charges may apply if additional mail outs are required.

- 8 We strive to deliver items of the highest quality. If you receive an item in damaged condition or you are not satisfied with the item supplied, you may return it to the Philatelic Mail Order Bureau at the address overleaf within 60 days of the invoice date to obtain a full refund or an exchange. Refunds are not given for partial returns of items.
