Dear Collectors

Welcome to the 2019 *Impressions* product range based on the stamp issues released throughout the year. For collectors of very limited-edition products there are eight offers you can register your interest in via the Limited Edition Registration. The range covers a variety of themes.

For coin collectors and numismatists we've included a number of very special coin offers, including a full set from The Great Aussie Coin Hunt. The coin tubes offer collectors an opportunity to obtain one of the randomly included limited-edition "A" Privy Mark coins.

From historic and cultural milestones, popular culture, special interest items and gifting opportunities, this year's range offers something for everyone. But don't forget to gift yourself!

**1919 King George V Sovereign
EF-aUNC**

- The First World War forged an Australian national identity, but it also threw the country into debt. In 1919, huge numbers of gold coins were shipped abroad in payment. As a result, the 1919 Australian Sovereign became scarce, especially premium grade.
- These historic coins were struck at the Sydney, Melbourne or Perth Mints. They feature the mintmark of their place of origin, plus the iconic 'St. George and the Dragon' motif.
- Scarce in any grade, available in Extremely Fine to about Uncirculated, and each coin is accompanied by a Certificate of Authenticity.
