Dear Collectors

Welcome to the 2020 *Impressions* product range based on the stamp issues released throughout the year. Themes include historic and cultural milestones and special anniversaries, events celebrated here and overseas, and also Australia's fauna and natural wonders.

Most of the products in *Impressions* are exclusive releases, with special print variations and product treatments. In some instances products are released in very low numbers attracting a lot of attention from collectors of Australian stamps. Some products are also numbered.

As with previous years, there's an exclusive range of very limited-edition offers you can register your interest in via the Limited Edition Registration. The Registration offers all collectors the best opportunity to gain one of these very limited products.

I hope you all enjoy the range.
