## CONTENTS

### Dear Collectors

Welcome to the 2021 *Impressions* product range. This catalogue presents products based on the stamp issues released throughout the year and a number of special collectables.

For collectors of very limited-edition products there are 14 offers to choose from and to register your interest in via the Limited-Edition Registration website. One is a high-end motorsport collectable only available from Australia Post and limited to just 50.

For coin collectors and numismatists we've included a number of special coin offers, including full year sets. These include Australian and United Kingdom coins celebrating the 95th birthday of Her Majesty The Queen. There is also an exclusive product offer for the Collecting Community to commemorate the year 2021 and the sacrifice and dedication of our frontline workers.

As in other years, this catalogue of special products offers something for everyone and their unique area of interest, including special gift ideas for enthusiasts.
